1. Choose only one question to answer
2. Your answer must not exceed one and a half pages

Question 1

The 'Be Free' initiative was started by the Office of the First Lady in collaboration with the Joint United Nations Programme on HIV-AIDS (UNAids) and United Nations Population Fund (UNFPA) in an effort to play a role towards the educating of young minds. Tackling gender-based violence and teen issues, are amongst the many challenges for Namibian youth to express their concerns. At a recent discussion platform, the First Lady Monica Geingos, argued that opening and closing hours of healthcare facilities are not convenient for the youth.

- (1) As an adviser to the First Lady's office, what recommendations would you give to the Ministry of Health to address the opening hours of health facilities to accommodate the needs of youth?
- (2) In the absence of a viable solution what advise will you offer to the youth of Namibia when they still need to use these health facilities?

Question 2

Namibia's forests are predominantly found in Kavango East, Kavango West and further explained by the Environment Minister, Hon. Pohamba Shifeta that 68000 rare trees were illegally chopped down through bribery, specifically in the Kavango East area.

- (1) Discuss which measures the Ministry of Environment needs to put in place to curb the illegal cutting?
- (2) Community mobilization is essential to preserve these forests for future generations. What advise will you give to these communities when huge bribes are given to cut down these trees?
