OMBILI YA KALUNGA

Oku na sha osho omunhu keshe te shi pumbwa mokukalamwenyo kwaye akushe, osho ombili yomu Kalunga. Ou ehe na ombili, a hepa, nande na kale oye oshipuna, efimbo ehe na ombili oye ohepelelala.

Owii ou hau kanifa ombili. Otau di moutondwe, shamha tuu ou e tonde mukwao ota ka nyengwa okukala nombili, osheshi nande ngeno oku hetekela a kale nawa, outondwe womomwenyo ota kelele ehafo olo.

Ediladilo eli ohatu li hange mo-Mbibeli pehovelo. Kain okwa nyengwa okukala nombili nomumwaina, fiyo e mu dipaa nokuli. Na eshi a dipaa mukwao, ashike she mu hanga mokukalamwenyo kwaye? OMbibeli otai popi ya yukilila kutya oye okwa kala epongo nomwendaendi. Nombuto yoluhepo noyoupongo oyo. Outondwe oo tuu tau etele omutondanhу oluhepo linene. Moshiwambo yo, omunanyanya ota udanekelwa oluhepo. Nongashi twa longwa nawa moshipango oshititano kutya: – “Na ou ta tondo omukwao oye omudipai, ehe na omwenyo walushe.”

Omuhu okwe lininga nomukwao okanima kangahongaho, opuwo, nee ombili ya kana, nande OMwene Jesus okwa honga: “Holeni ovatondi veni.” Oto hange omunhu eshi ta nyengwa okukufila po omukwao. Hano, OMwene Jesus ota ti: “Ngenge itamu dimi po, na’ Ho yeni Mark. 11:26; 6:12. Tala ne, eshi to nyengwa okukufila po mukweni, Kalunga ote kufile po tuu?

Omutondi nge a mona omhitoto okupangela ounyuni ile momunhu, ota kufa po ombili pokati komunhu nomunhu, osheshi ota longifa outondwe, Ehol. 6:4. Ovanhu vamwe va kanifa ombili yavo mukhola eenhamanana. Ou na tuu ombili meumbo leni, moushiinda, meongalo, nomufita novakriste vakweni aveshe? Omunhu nge e li popepi noshiponga shenyonauko, tete ota kanifa ombili novakwao. Vamwe ve i kanifa molwoshimhwiyu shounyuni ou mokudiladila oupuna ile oipalwifa ile mokukala mouyehame, n. sh. t.

Ndelene okukala nombili shi na elao. (Mat. 5:9.) Omuyapostoli Paulus ta ti: “Ngeno nye kombinga yeni kaleni mu na ombili novanhu ave-she.” Rom. 12:18.

“Ombili otandi yi mu thigile, ombili yandje otandi yi mu pe; itandi mu pe ngashi uuyuni tau gandja. Oomwnnyo dheni inadhinik oluhodhi, ne inamu tila.”

Joh. 14:27.

Ombili yoshili yokomwenyo ohai di peni? Oyo otai di medimopo lomatimba. Ou a diminwa po omatimba meni laye, nena ombili ya Kalunga ya hovela. Na ou e na omatimba, oudu wa hovela oululu. Ou e na Jesus meni laye, oye e na ombili. Omujapostoli Paulus ta ti: “Oye ombili yetu,” Ef. 2:17.

OMwene Jesus te tu ulikile oshinima shinene. Eshi ta fiipo ovahongwa vaye, ite va udanekele ngeno oinima imwe, oyo oo e na oku va fiilange ta di po puvo. Ndelene ote va udanekele ashike oku va fiila ombili yaye mwenemwene nokuli. (Joh. 14:27.) OMwene Jesus mokuhekeleka ovahongwa vaye ovo ta fiipo va nyika oluhodi noutile wounyuni ou, ombili te va hekelekifa. Eshi a nyumuka koufi, note va hange ve lipatela mo. Oshitya shaye tete; “Ombili,” – Joh. 20:19.

Ombili oshinima oshinene, aveshe ovo va hangwa koudju nokolu-hodi, nge to yelekele oku va popifa oto longifa oshitya: ombili. Omuyapostoli Paulus ota ti: oi dule ounongo aushe, Fil. 4:7; Kol. 3:15. Osho a popifa ovaitaveli venya vomu-Filippi.

Oshilongo sha Kalunga twe shi teelela, osho oshilongo shombili. E-pangelo la Kristus tali uya olombili ngashi la yelekwa nepangelo lohamba Salomo. Ou wete tuu, Ho Kalunga eshi a hala oku ku pa ombili nomonudo ou woneudo, oyo shiimba we i nyekwa modula ya ya.

Ovaengeli ova hokololela ovafita okudalwa kwoMukulili. Ndelene huninwa otava hulifa ngaha: “Efimano ola Kalunga mokombadambada nombili kombada yedu mokati kovanhu e va hokwa,” Luk. 2:14.
