HA KUUNONGO NOMAYELE

Mat. 11: 25-30.

Oshoka osho opalele Kalunga okuhupitha okuugoya weuvitho ombo-ka yi itaale.

Aakuluntu aakwetu, Jesus ota hambelele Kalunga oondunge dhe oonkumithi dhokuhupitha aantu. Ngele otse mbaka aafupi twa hololelwa kOmuwa shoka e shi holeke aanongo naanamayele, otatu ngingi shike ando? Ndi shi otu shi ku tya netyo lyaa nondyeleko, lyaa nezimbuko. Otandi ku hambalele Tate medhina lya Jesus shi wa hololele ndje ehupitho, omwenyo gwaaluhe, itali pula uunongo nomayele gandje, ndele we li hololela ndje ndi li taambe meitaalo meigandjo ku ngoye ngashi ndi li. Oshoka ando lya li tali pula uunongo nomayele, ngame shigwana shaaWambo ndi na oo-ndunge oofupi, ando inandi li mona.

Pamwa we shi koneke nokuli na-le kutya, shoka twe shi hololelwa kOmuwa shi kale shetu aluhe, ope na mboka taye shi tsilondumbo no taa lalakanene oku shi tu kanithila. Oyo satana, uuyuni nehalo lyonyama yetu. Onke aana ya Kalunga ethimbo ndika ye limekondjo okukondjela shoka ye shi hololelwa kaa shi kane. Dhiginina shili shono u shi na, waa yugwe na-ndo ku lye ohishani shoye, Ehol. 3. 11.

Mokudhiginina shoka twe shi hololelwa kOmuwa, omathimbo gamwe twa adhika komvulwe, ketyololoko, twa teka omukumo mekondjo lyetu. Ndele Kalunga a longekidhila oyana evululuko. „Ileni ku ngame amuhe ha-mu longo nomwa loloka, ongame no-tandi mu pe evululuko.” Iimpwiyu nii-longa yopalutu tayi eta eloloko lyopa-

"Elalakaneno lepangelo olo okulongela okanona keshe omhito yoku-longwa, okatilyane, okambashitela ile okalaule," osho omuhona A. H. du Plessis a tonga omafiku aa mu Windhoek.

Jesus te tu ithana aamwayina, ano otse shili aakwa-Kristus aakwawo. Lesha mu Ef. 2: 19-22.

Ano uukriste wetu kau shi mbo-ka tau idhimbike Kristus ngele tu li piikunwa notwa hala okugama kaa-pagani nokaashunimonima, awe, owo tau tondo uuwinayi kehe. Ha tse mbo-ka twa tonda okutiwa, aamatemba. Eeno, otse aamatemba shili, ano aakwa-Kristus. Dhimbulukwa wo Jesus sho ta ti: Ngoka te mu idhimbike paantu, na ye wo ote mu idhimbike montaneho yaayengeli ya He megulu.

Owa hala Jesus e ku idhimbike montaneho yaayengeli megulu? Ndi shi atuhe otwa hala oku ka kala pa-mwe na ye megulu lye? Ino hala me-gulu mukwetu?

**OKU NA OINIMA IHAPU HATU
I KONEKE MOMUKIFI WA TB.**

Ou shi ngahelipi nokutya ou na TB?

Ngenge ove ile umwe wovakweni e na oinima ei:- Eloloko noungone wolutu alishe. Okuhe nehalo lokulya. Ekanifo loshiviha (oudjuu wolutu). Okupusha oufiku, unene mokunangala, ouyame monhulo, omukolo, outalala ketango, ou ohau kala nomunhu oule wefimbo li fike pomwedi umwe, ile shi dule. Okufuda noudjuu, koinghololo yoye lu-hapu oku na ohonde ile ngo ho kolo-la ohonde.

Eshi nee wa dimbuluka nokutya oho udu noho mono oinima ei ile ngo imwe yayo, inda ku ndokotola opo u talwe u shiive u ye komashina, ku talike ngenge pamwe ou na TB. yokomapunga.

Ngenge okaana koye ohaka vele omutwe luhapu luhapu, inda ku ndokotola, shaashi pamwe oke kwetiwe ku TB. yomouluvi. Twala diva okaana ino kanghama, opo okaana ka kwafwe simbo odu inau tana. NAWA NGE-NGE O TB TAI TETWA KO.

Oshike hashi eta TB?

TB ohai etwa keembuto dayo, odo hadi ifanwa "imbewu yokufa ile amayemu" (momalaka okoushilo). Hai etwa keloloko nokoungone wolutu na ngenge omunhu iha li nawa. Ha ngaa-shi vati omunhu okwa pewa omuti moikulya, aye o TB hasho osho. O TB ohai etwa ashike keembuto dayo vene. Odo ihadi monika nomesho aeke, shapo okuninga e na ekwafelo la "microscope" eshina olo hali konakona nomoingolo mu talwe ngenge omu na omukifi.

Momunaudu ou e kwetiwe ku TB, eembuto edi ohadi ningi muye oipute, na ngenge inadi hakulwa ota-di shituka eembululu. Ngenge omunaudu wa TB ta kolola ile ta fiya omate, eembuto edi ohadi lihanene momhepo, ndele tadi dulu nee okufudilwa po kwau e li na ye, ye okwa li ngo e li nawa. Ndele tadi kulu muye, tadi ningi muye oipute nee mbululu. Onghe nee hatu ti o TB ohai fudilwa mo naana pamukalo ou. Nande omunhu ye mwene ita shiiva sha.

Ovakwetu, tu lungameni tuha fi-yile keshe opo, opo tuha tandavelife omukifi ou multilifa TB.
